Chief, FBIS

Disposition of Housing Area.

1. Reference is made to your memorandum dated 26 November 1948, subject as above.

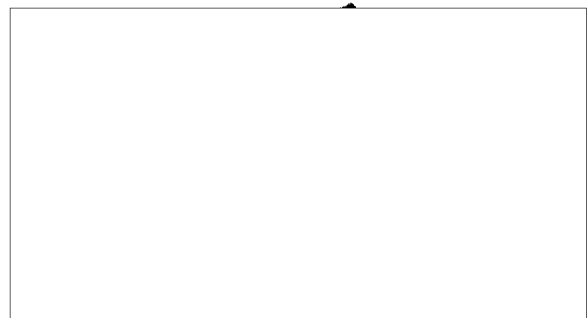

2. Plans for disposition of housing at the Okinawa project, as indicated in the sketch attached to the memorandum, are acceptable to this office provided no additional expense is incurred. You are cautioned to insure that the disposition of housing as planned will not involve expanded utilities with additional expense.

3. FBIS will, of course, control the housing en toto. However, we should receive every possible form of logistic and administrative support from both the Army and the Air Force, thereby keeping FBIS administrative overhead to a minimum.
